

## HOTEL SAFETY WELCOME TRAY CLASSIC

A twenty-first century design icon.

When Northmace invented the hotel safety welcome tray it transformed the guest experience. By bringing everything together in one convenient location, our welcome trays provide a safe and convenient solution for guests and hoteliers alike. Our range provides this facility safely, reliably and hygienically, with each manufactured for durability and lasting good looks.

### Features

- Beautiful circular design enhancing the curved, carved lines of the integral kettle
- Specially designed for ease of guest use, protection of furniture and furnishings and to assist housekeeping
- Dual ingredients compartments for easy portion control and to aid guest selection
- Integral, auto switch-off, 0.8 litre, energy saver, cordless kettle with indicator light, cool touch handle, twin sight windows and concealed element
- Boil dry safety protection
- Easy for housekeeping to clean
- Separate tray protector included (to sit under cups/mugs)

## Cleaning information

Your Northmace Hotel Safety Welcome Tray and kettle should only be cleaned with a soft cloth, slightly moistened with water (moist but NOT wet). Do not use any cleaning products as even in diluted form they may damage the finish. Avoid the areas around the switch and the electrical connections. Remember to completely isolate your Welcome Tray and kettle from the electricity supply before attempting to clean. Then polish dry with a dry soft cloth.
